Name:

Reflect, Question & Explain, Evaluate. Write about either Question & Explain or Evaluate, based on today's work.

Reflect, Question & Explain

Write a question about your work to help you think about your next steps.

Explain something new that you learned today while making this artwork.

Reflect, Evaluate. How you rate your work

Describe an area of your work that you feel is working well. Why do you think so?

Describe an area of your work that you feel is not working well. Why do you think so?

Name:

Stretch & Explore. Write about either Stretch or Explore, based on today's work.

Stretch. Describe one challenge you faced in your work today.

What was the challenge, and why was it a stretch for you?

How did you overcome this challenge?

Explore. Describe a new art material or technique that you tried for the first time in your artwork.

What is the art material and how did you play with it? Will you use it again – why or why not?

Describe the art technique that you tried. How can this art technique help you to express your ideas?

Name:

Understand Art Worlds. Write about either Community or Domain

Understand Art Worlds, Community. Choose 2 of the questions to answer.

Describe how you collaborated with a classmate today. How did this help you with your work?

Describe how talking with a classmate about your work helped you to improve it.

Do you consider yourself an "artist?" Why or why not?

Understand Art Worlds, Domain. Choose 2 of the questions to answer about connections to other artworks, artists, or other subjects.

Looking at artwork by other artists helps artists get ideas for their own work. What could you learn from other artists to help with this artwork?

How can you find artwork that is similar to the kinds of art that you like to make? What terms would you search under?

What connections and similarities can you name between your artwork and other things you know about?
