

FINAL PROJECT CRITERIA

For your final piece you will put to use what we have learned over the past months by focusing on a particular approach and medium to create an artwork of your own design. Please choose from the following menu.

- **Stretch and Explore:** Create a piece that is experimental in nature and pushes the use of materials to create a piece of work or series that show your in-depth inquiry into the possibilities of the medium you are using.
- **Observe:** Create a piece or series of pieces that focus on observational drawing or painting and use a wide variety of marks to convey the reality of what you are observing.
- **Understand Art Worlds:** Choose an artist for whom mark making is important and use their style, medium, or technique to inspire your own work/s of art.
- **Express:** Create a piece or series that expresses a set or wide range of feelings or ideas through mark making.

Please circle the materials you will use. The materials available to you are:

- Pencil, colored pencil, tempera, watercolor, acrylic, charcoal, printmaking materials (stamps, vegetables), marker, oil pastel, crayon
- Tracing paper, brown paper, white paper, colored paper, tag board, canvas board, scratch board, print paper
