

Celia Knight teaches the following song to children in grades K-3, to the tune of *Frère Jacques*. (See Chapter 3 of *Studio Thinking from the Start* to see how Celia connects these to the *Studio Habits of Mind*).

**"I Am an Artist" Song**

I'm an artist, I'm an artist  
I use my **HANDS**, I use my **HANDS**  
Practice and experiment  
With materials and tools  
Artistic **HANDS**, Artistic **HANDS**

I'm an artist, I'm an artist  
I use my **MIND**, I use my **MIND**  
Observe and imagine  
Think of new ideas  
Artistic **MIND**, Artistic **MIND**

I'm an artist, I'm an artist  
I use my **HEART**, I use my **HEART**  
Make artwork I care about  
Always try my best  
Artistic **HEART**, Artistic **HEART**

I'm an artist, I'm an artist  
I use my **COMMUNITY**, I use my **COMMUNITY**  
Share ideas and artwork  
Learn from other artists  
Artistic **COMMUNITY**, Artistic **COMMUNITY**
